

Community Health Improvement Plan Collaboration

[DATE, PARTNER ORG]

Together, we can do more than each of us can do alone.

PUBLIC HEALTH
PREVENT. PROMOTE. PROTECT.

Lane Community Health Council is the governing board for PacificSource Community Solutions-Lane.

Today's Goals

To explore

- Ways you are working to improve community health in Lane County

To learn about

- Lane County's Community Health Assessment and Improvement Plan
- Ways to work together

Community Health Assessment and Improvement Plan

Respond in the Chat:

- How familiar are you with Lane County's assessment and plan?
- Do you feel your work aligns with efforts to improve community health?

Brief Brainstorm

Think about the work you are currently doing.

What projects or efforts are helping to improve community health?

Community Health Assessment & Improvement Plan

Community Health Assessment (CHA): *Identifies health issues through data collection and analysis.*

Community Health Improvement Plan (CHP): *CHA results are used to develop a CHP, which is a plan for addressing priority health issues.*

Lane Community Health Council is the governing board for PacificSource Community Solutions-Lane.

Timeline

CHA development 2018-19

- Conduct assessments
- Identify themes
- Identify the cause of health problems

CHP development 2020

- Reach out to the community to learn what is important
- Work with the community to develop ideas
- Write CHP and get it approved

CHP implementation 2021-2025

Current Phase

- Develop CHP indicators (measurable information used to track progress)
- Work with the community to brainstorm next steps
- Build up support to take action
- Work together to take action

The Goal of the 2021 – 2025 Community Health Improvement Plan

Create the conditions needed to
support good health in Lane County.

Priorities in Action

Priority

Ensure everyone has the income needed to meet basic needs.

Strategy

Ensure economic development in Lane County that creates livable incomes and keeps basic living costs affordable.

Action Example

Put policies in place that increase access to housing.

Priorities in Action

Priority

Create conditions that support good mental health and physical well-being.

Strategy

Ensure systems of care address the health needs – physical, behavioral, and spiritual – of the whole person and are accessible to all people across the lifespan.

Strategy

Implement policies that support healthy choices and mental well-being.

Action Example

Offer services at schools for families, children and youth.

Priorities in Action

Priority

Address the injustices that create inequities.

Strategy

Ensure equity in the future by changing the systems and structures of our racist past.

Action Example

Award funding to efforts led by and supporting people who are black, indigenous, or people of color.

Activity: Build Your Improvement Plan

“The work we do _____ **(name the work)**

contributes to _____
(name a priority/strategy)

by helping to create the conditions to support
_____ **(health outcome)**

for everyone in Lane County!”

Put the CHP in Action

How does the CHP align with your work?

How do you see you and your workplace participating in the
CHP?
