

OREGON KINSHIP NAVIGATOR

Did you know?

There are about **2,787** children in the care of kinship foster parents through the Oregon Department of Human Services (DHS), and another **36,000** raised by relatives independently.

Oregon Kinship Navigator (OKN) is a statewide program. We're here to help grandparents and other relative caregivers find answers to your questions and discover resources to support you in raising your relative child.

What we offer

► Opportunities for peer-to-peer connection.

Through our Facebook page and online support groups, we connect parents to local and statewide resources, such as:

- Child Care
- Counseling
- Food Resources
- Mediation
- Multi-Cultural Services
- Clothing
- Utility Resources, etc.

► Support in navigating state agencies, including:

- Department of Human Services Child Welfare
- Supplemental Nutrition Program (SNAP)
- Oregon Health Plan
- WIC

► Personalized and customized support, including assistance in setting safe boundaries and many other caregiving considerations.
